

About Department

The Department of History has been in existence with the establishment of the college in 1966. Presently there is one sanctioned post in the Department. The faculty of the department always Work hard to enrich the students' knowledge and skills to fit for the timely changing needs and aspirations of the society. They strive hard for all round development of the students. They do their best effort to improve the standards of the students. Now days the role of History Subject in Competitive Examinations are very crucial Due to that fact the Faculty bring them up to the mark.

Majority of the students studying in this college come from rural areas and belong to the first generation learners. They cannot evince interest in the subject due to inborn fear and lack of proper understanding of the value of the subject. Further the faculty of the department make themselves ever available to help the students to enrich their History Subject Knowledge.

The department also extends its services to train the students towards the Competitive Spirit in employability.
