Vision of the College

The grand vision of SKBR Government Degree College comprehends large interactive areas of Education, Culture, Literature, Arts, Humanities, Science and Technology; the high-quality education at different levels, inculcation of scientific temper and creative thinking, cultivation of character, promotion of dynamism, forward looking outlook. SKBR Government Degree College is still inspired and guided by the same vision.

Principal's Desk

This month, the Pongal and republic day celebrations took place in the campus in a grand manner.

Field Trip to Guntur Medical College

The students of B.Sc.(Zoology) had the opportunity to visit MED FUSION-26, a medical exhibition organized at Guntur Medical College, Guntur on 11th February, 2026. The visit was highly informative and educational, providing valuable exposure to recent advancements in the medical field.

During the exhibition, students observed various medical models, innovative healthcare technologies, research presentations, and clinical demonstrations. Different departments showcased their specialties, including anatomy specimens, pathology slides, surgical instruments, and modern diagnostic equipment.

The interactive sessions with doctors and medical students helped in clarifying doubts and understanding practical applications of theoretical knowledge. The exhibition also emphasized the importance of research, patient care, and emerging medical technologies in improving healthcare services.

Overall, the visit to MED FUSION-26 was a great learning experience. It enhanced the students' knowledge, motivated them towards medical sciences, and provided real-time exposure to hospital and clinical environments. Faculty also accompanied with the students.

International Mother Language Day

The Department of Telugu celebrated International Mother Language Day with great enthusiasm and cultural spirit on 21st February, 2026. The event began with a warm welcome to the dignitaries and participants. Dr. E. Kalyani, Lecturer in Telugu, delivered an insightful speech highlighting the significance of International Mother Language Day. She clearly explained the difference between International Mother Language Day and Telugu Bhasha Dinotsavam. She stated that International Mother Language Day is observed globally to promote linguistic diversity and multilingualism, whereas Telugu Bhasha Dinotsavam is specifically celebrated to honor the Telugu language and its rich literary heritage.

Dr. Kalyani also emphasized the importance of learning and speaking our mother language. She mentioned that when we express ourselves in our own language, our emotions and thoughts are conveyed more naturally and effectively. She encouraged students to take pride in their mother tongue and to use it confidently in daily communication.

The Principal, Dr. B. Srinivasa Rao, addressed the gathering and appreciated the efforts of the Department of Telugu in organizing the programme. In his speech, he stressed the need to preserve our linguistic heritage and motivated students to balance modern education with strong roots in their mother language. He encouraged everyone to respect all languages while giving due importance to their own mother tongue.

SASA - Zero Litter Governance Programme

The NSS Unit of our college actively organized in the SASA - Zero Litter Governance Programme on 21st February, 2026 with the objective of promoting cleanliness, environmental responsibility, and sustainable waste management practices. The programme was organized to create awareness among students and the local community about the importance of maintaining litter-free surroundings and adopting eco-friendly habits in daily life.

The event commenced with an inaugural address by the NSS Programme Officer Dr.K.Kanaka Ratnam, Lecturer in Economics, who emphasized the significance of the Zero Litter mission and the role of youth in achieving a clean and green society. Volunteers were briefed about waste segregation, reduction of plastic usage, and the importance of responsible disposal of waste. The programme concluded with a pledge taken by all NSS volunteers, faculty members, and participants to maintain cleanliness and work towards a litter-free society.

Staff Achievements

Dr.P.Bharathi Devi

Lecturer in Computer Science

- Published a paper on "Blockchain-Based Secure Data Sharing and Access Control in Cloud Storage Systems," *2025 IEEE 17th International Conference on Computational Intelligence and Communication Networks (CICN)*, Goa, India, 2025, pp. 777-781, doi: 10.1109/CICN67655.2025.11368183. <https://ieeexplore.ieee.org/abstract/document/11368183>
