Beat the Heat

The NSS Unit and SASA Program Unit of SKBR Government Degree College, Macherla, Palnadu District, Andhra Pradesh, organized an online quiz on the theme "Beat the Heat" from 16th May to 18th May 2025. This initiative aimed to raise awareness about the impact of extreme heat on both living and non-living components of the environment.

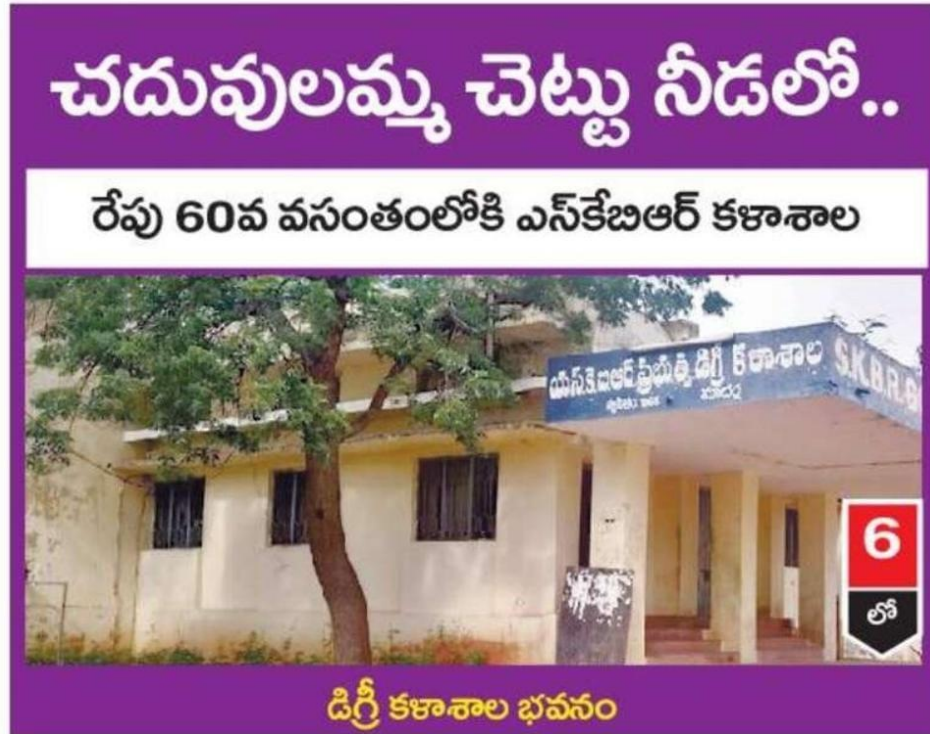

The quiz was open to students, faculty, and the general public, and witnessed enthusiastic participation from various sections of the community. The objective was to sensitize participants to the causes, effects, and preventive measures related to rising temperatures and climate change.

Dr. Y. Vyshnavi, NSS Coordinator and Lecturer in Chemistry, coordinated the program and emphasized the importance of public engagement in combating heat-related challenges. As a part of this campaign, students actively participated in planting saplings on campus, symbolizing a commitment to a greener and cooler future.

Dr. J. Lakshmi Kumari, Principal of the college, addressed the students and encouraged them to adopt eco-friendly practices and spread awareness among their peers and families. She appreciated the efforts of the NSS Unit in organizing meaningful activities for environmental consciousness.

SKBR @ 60: Honouring the Past, Inspiring the Future!

event a success, reflecting their growing awareness and interest in adopting holistic practices for better health.

The principal, Dr. J. Lakshmi Kumari, appreciated the efforts of the Physical Education Department and motivated the students to make yoga a regular part of their lives.
